Thursday, 24 January 1980

1. On the Director's behalf, you are invited to participate in a discussion/dinner on the above subject in the DCI conference room (7D64) on the date appointed. Our intention is to take advantage of the comparative lull in Egypt's affairs at the moment to improve our understanding and, if possible, to prepare ourselves for the next change in that climate. The items attached may serve as background reading.

2. The following have been invited from the outside:

Professor Richard Mitchell, University of Michigan  
Professor (and former Ambassador) Herman Eilts, Boston University  
Dr. William B. Quandt, The Brookings Institution

Assistant Secretary of State Harold Saunders

Dr. Robert Hunter, NSC Staff

Mr. Robert Murray, Deputy Assistant Secretary of Defense, ISA

3. Our discussion will begin with brief (fifteen minute) statements from our academic guests. Thereafter we shall all join in a free exchange.

4. The plan for the evening is as follows: The company will assemble in the DCI conference room between 5:30 and 6:00. Refreshments will be served. Our discussion will begin at 6:00 and continue until 8:30 or thereabouts. If you are unable to attend, please call extension 7848.
